Get ready for “a tradition like no other.” Those who indulge in girly attire (Girly Men) will be given privileges and special treatment as outlined in rules determined by the Tournament Master.

Rule #1: Big or small, save ‘em all. We’re all doing this to raise money for The Breast Cancer Research Foundation.

Rule #2: Girly men may hit from the red tees.

Rule #3: Girly men will use their driver off the tee on all Par 3 holes.

Rule #4: Tournament Master can change the rules at any time.

Remember the more you coordinate and accessorize, the more whistles/cheers you will receive from passing vehicles. But most of all, it will increase your chances of winning the coveted Girly Man of the Year Trophy!

Come ready to strut your stuff because the award of Girly Man of the Year will be presented after a walk down the red carpet and review by a panel of breast cancer survivors prior to the shotgun start.
